At New World Precious Metals (NWPM), our mission is simple: to help Canadians take control of their wealth with tangible assets—gold and silver—that hold lasting value across generations. No matter the size of your portfolio, bullion can be a smart way to preserve today's wealth and create opportunity for the future.

A dynamic and trusted speaker, Warren brings energy, credibility, and clarity to every conversation, helping audiences see precious metals not as speculation, but as smart financial insurance.
